

## **Coronavirus (COVID-19)**

In accordance with the guidelines and advice given by the UK government and the British Dental Association, Woodhall Dental Practice has taken the difficult decision to cease all face-to-face routine dentistry from the week commencing 23rd March 2020.

All patients requiring emergency dental care are asked to call 01707 375 000, where your need for treatment will be triaged by one of our dentists.

This is not a decision we are taking lightly, but one made with the well-being and safety of both patients and staff in mind.

The COVID-19 pandemic is an unprecedented situation and we all have a responsibility to follow the current guidance set by the UK government. We therefore urge all patients to practice social distancing and stay at home unless absolutely essential.

For ongoing updates, please visit our website

Please keep safe and take care of yourselves. We look forward to seeing you again as soon as it is safe for us to reopen.

Thank you for your understanding and co-operation.
